Requests him to state how the clerical work relating to vaccination was being managed till now and which of the District officers have been attending to the vaccination work.

3 From the Sanitary Commissioner No 303 dy 14.2.08

States that the clerical work relating to vaccination was being attended to in the Dy Comrs office, as the Dy Comrs were the District officers in the vaccination Department & that the Dy Inspectors of vaccination were submitting their reports and returns either direct to the Senior Surgeon or through the Dy Commissioners.

The Dy Inspectors of vaccination were doing all the clerical work themselves, such as keeping correspondence with the vaccinators, Zemindars, Dy Comrs and Senior Surgeon, besides maintaining registers and diaries. For holding their offices they were allowed a house rent of Rs 1-8-0, per mensem, but in Govt. Pro. No 1469-70 4-7 13-01 dated 23.7.02, the house rent sanctioned to them was ordered to be discontinued on the ground that the Rev. Shilldars who have as much clerical work as Dy Inspectors of vaccination ~~have~~ are not allowed house rent

The Dy Inspectors of vaccination are each allowed a peon on Rs 6/- per mensem. The cost is met from the District Funds. Under the circumstances
